Contracts

Are you thinking about going into business for yourself or do you already have a small start-up business? If so, it is important that you have contracts drafted to meet your small business needs.

At the Kiecker Law Office, I, Omni Kiecker, assist small business in the twin cities and throughout southern Minnesota draft contracts such as:

- Employment contracts
- Purchase and Sale contracts
- Personal Services contracts

Some agreements need to be in writing to be enforceable so contact me today to draft a contract to suit your small business needs.

I am also available to review contracts that others are asking you to sign to make sure that that it is in your best interest to sign it. If a contract is not in your best interest, I will negotiate on your behalf to draft a new contract that suits your needs.
